Class Members on the Settlement website or upon request to the Settlement Administrator;

WHEREAS, on January 20, 2026, Plaintiffs submitted to the Court their Motion for Attorneys' Fees, Costs, and Service Awards;

WHEREAS, on April 6, 2026, the Court held a Final Approval Hearing to determine whether the Settlement was fair, reasonable, and adequate, and to consider Settlement Class Counsel's Motion for Attorneys' Fees, Costs, and Service Awards;

**IT IS HEREBY ORDERED AND ADJUDGED** as follows:

1. This Court has jurisdiction over this matter pursuant to 12 O.S. § 2004(F) and personal jurisdiction over all Parties to the Lawsuit, including Settlement Class Members.
2. This Order incorporates the definitions in the Settlement Agreement and all capitalized terms used in this Order have the same meanings as set forth in that Agreement, unless otherwise defined herein.
3. The notice provided to the Settlement Class in accordance with the Preliminary Approval Order was the best notice practicable under the circumstances and constituted due and sufficient notice of the proceedings and matters set forth therein to all persons entitled to notice. The notice and notice program fully satisfied the requirements of due process, 12 O.S. § 2023(C), and all other applicable laws and rules. The claims process is also fair, and the Claim Form is easily understandable.
4. The Settlement is in all respects fair, reasonable, and adequate, after considering all of the 12 O.S. § 2023(C) factors, highlighted by evidence that: (i) the settlement Class Representatives and Settlement Class Counsel have adequately represented the Settlement Class; (ii) the Settlement was negotiated in good faith and at arm's length among competent, experienced counsel with the assistance of a qualified mediator; (iii) the Settlement relief is adequate; and (iv)

the Settlement treats Settlement Class Members equitably relative to each other. The Settlement was made based on a record that is sufficiently developed and complete to have enabled the Parties to adequately evaluate and consider their positions.

5. Pursuant to 12 O.S. § 2023(E), the Court finds after a hearing and based upon all submissions of the parties and other interested persons, including any objections filed with the Court, the settlement proposed by the parties is fair, reasonable, and adequate. The terms of and provisions of the Agreement were the product of a good faith arm's-length negotiations among experienced counsel. Approval of the Agreement will result in substantial savings of time, money, and effort to the Court and the parties, and will further the interests of justice.

6. A list of the individuals who have opted out of the Settlement is attached hereto as **Exhibit 1**. Those individuals who completely opted out of the Settlement will not be bound by the Settlement Agreement or the releases contained therein.

7. Based on the information presented to the Court, the claims process has proceeded as ordered and consistent with the Settlement Agreement and Preliminary Approval Order. All Settlement Class Members who submitted valid claims shall receive their Settlement Class Member benefits pursuant to the Settlement's terms. All Settlement Class Members who did not submit a Claim, or for whom the Claim is determined to be invalid, shall still be bound by the terms of the Settlement and Releases therein.

8. The distribution plan for Settlement Class Member benefits proposed by the Parties in the Agreement is fair, reasonable, and adequate.

9. The Class Representatives and Settlement Class Counsel have fairly and adequately represented and will continue to adequately represent and protect the interests of Settlement Class Members in connection with the Settlement.

10. Because the Court grants Final Approval of the Settlement set forth in the Agreement as fair, reasonable, and adequate, the Court authorizes and directs the implementation of all terms and provisions of the Settlement.

11. All Parties to this Lawsuit, including all Settlement Class Members, are bound by the Settlement as set forth in the Settlement Agreement and this Order.

12. Pursuant to 12 O.S. § 2023(C), the Court finds that Class Representatives Wade Quick and Laura Lance are members of the Settlement Class, that their claims are typical of the Class, and that they fairly and adequately protected the interests of the Class throughout the proceedings in the Lawsuit. The appointment of Plaintiffs as the Class Representatives is therefore affirmed.

13. Having considered the factors set forth in 12 O.S. § 2023(F), the Court finds that Class Counsel have fairly and adequately represented the Class for purposes of entering into and implementing the Settlement and thus the appointment of William B. Federman of Federman & Sherwood as Class Counsel is affirmed.

14. The Court affirms its findings that the Settlement Class meets the relevant requirements of 12 O.S. §§ 2023(A) and (B) and for purposes of the settlement that: joinder of all Class Members in a single proceeding would be impracticable, if not impossible, because of their numbers and dispersion. Common issues exist among Class Members and predominate over questions affecting individual Class Members only: in particular, whether Defendant was negligent regarding its handling of Plaintiffs' Private Information. The Class Representatives' claims are typical of those of the Class, as the Class Representatives allege they had their Private Information exposed, accessed or acquired in the Data Incident. The Class Representatives and their counsel will fairly and adequately protect the interests of the Class as the Class Representatives have no

interests antagonistic to the Class and have retained counsel who are experienced and competent to prosecute this matter on behalf of the Class. Finally, a class settlement is superior to other methods available for a fair resolution of the controversy.

15. Therefore, pursuant to 12 O.S. § 2023(C) the Court finally certifies the following Settlement Class:

All individuals residing in the United States who were mailed notice that their Private Information may have been impacted by the Data Incident that Defendant experienced between on or around February 2024.

Excluded from the Settlement Class are: (i) Defendant's officers, trustees, and directors; (ii) any entity in which Defendant has a controlling interest; (iii) the affiliates, legal representatives, attorneys, successors, heirs, and assigns of Defendant; (iv) members of the judiciary to whom this case is assigned, their families and members of their staff; (v) Settlement Class Members who submit a valid request for exclusion prior to the opt-out deadline; and (vi) any person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity occurrence of the Security Incident, or who pleads *nolo contendere* to any such charge. The Settlement Class may include as many as 518,811 individuals who were notified that their Private Information may have been affected in the Data Incident that Defendant experienced in February 2024.

16. Judgment shall be, and hereby is, entered dismissing the Litigation with prejudice, on the merits.

17. As of the Effective Date, and in exchange for the relief described in the Settlement, the Releasing Parties hereby fully and irrevocably release and forever discharge the Released Parties from the Released Claims.

18. In consideration for this Agreement and the consideration set forth herein, Plaintiffs and Settlement Class Members and Releasing Parties acknowledge that the Releases and the release herein include potential claims and costs that may not be known or suspected to exist and that Plaintiff and the Settlement Class Members hereby agree that all rights under California Civil Codes § 1542, and any similar law of any state or territory of the United States, are expressly and

affirmatively waived. California Civil Code § 1542 states as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

19. Pursuant to 12 O.S. § 2023(G), Class Counsel is awarded \$400,000.00 for attorneys' fees and costs. Class Counsel initiated the Lawsuit on behalf of Plaintiffs and acted to protect the Class. Class Counsel's efforts have produced the Settlement Agreement entered into in good faith that provides a fair, reasonable, adequate, and certain results for the Class. Class Counsel is entitled to reasonable attorneys' fees and reimbursement of expenses for their work. Defendant (and/or its Insurer) will cause to be paid, through the Claims Administrator, these attorneys' fees, expenses, and costs to the trust account of Federman & Sherwood. Class Counsel shall have the sole authority to apportion and distribute attorneys' fees among other Plaintiffs' counsel.

20. The Settlement Class Representatives shall be awarded Service Awards in the amount of \$2,500.00 each (\$5,000.00 in total). Defendant (and/or its Insurer) will cause to be paid, through the Claims Administrator, the Service Awards.

21. Plaintiffs and all Settlement Class Members and Releasing Parties, and persons purporting to act on their behalf, are permanently enjoined from commencing or prosecuting (either directly, representatively, or in any other capacity) any of the Released Claims against any of the Released Parties in any action or proceeding in any court, arbitration forum, or tribunal.

22. The Court hereby retains and reserves jurisdiction over: (i) implementation of this Settlement and any distributions to the Settlement Class Members; (ii) the Lawsuit, until the Effective Date, and until each and every act agreed to be performed by the Parties shall have been performed pursuant to the terms of the Agreement, including the exhibits appended thereto; and (iii) all Parties, for the purpose of enforcing and administering the Settlement.

23. In the event the Effective Date of the Settlement does not occur, the Settlement shall be rendered null and void to the extent provided by and in accordance with the Agreement, and this Order, and any other order entered by this Court in accordance with the terms of the Agreement shall be vacated, *nunc pro tunc*. In such event, all orders entered, and releases delivered in connection with the Settlement shall be null and void and have no further force and effect, shall not be used or referred to for any purpose whatsoever, and shall not be admissible or discoverable in any proceeding. The Lawsuit shall return to its status immediately prior to execution of the Agreement.

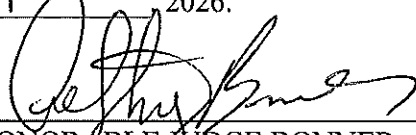

24. Pursuant to 12 O.S. § 2023(C), all persons who satisfy the Class Definition above, with the exception of those listed individuals who completely opted out of the Settlement on **Exhibit 1**, shall be bound by this Order.

25. None of the settlement, this Order, nor the fact of the settlement constitutes any admission by any of the parties of any liability, wrongdoing, or violation of the law, damages, or lack thereof, or of the validity or invalidity of any claim or defense asserted in the Lawsuit.

26. The Court finds that no reason exists for delay in ordering final judgment pursuant to 12 O.S. § 681 and hereby directs the Clerk to enter this Order forthwith.

27. The Clerk of Court is hereby directed to enter final judgment forthwith.

IT IS SO ORDERED this 25 day of March, 2026.
